Achievement Component

Not Rated
Rating

The Achievement component, previously called the High School Test Passage Rate component, represents the number of students who meet applicable criteria on assessments that are required for graduation.

Graduation Rate

Exceeds Standards
Rating

The Graduation Rate component looks at the percent of students who are successfully finishing high school with a diploma in four, five, six, seven or eight years.

Graduation Rates

A Graduation rate is not calculated if there are not at least 10 students in the graduating class
45.4% of students graduated in 4 years
46.7% of students graduated in 5 years
45.3% of students graduated in 6 years
45.5% of students graduated in 7 years
49.8% of students graduated in 8 years
46.5% is the weighted average of all graduation rates.

Progress

Exceeds Standards
Rating

The Progress component looks closely at the growth all students are making during the school year.

Gap Closing

Exceeds Standards

This component shows how well schools are improving or meeting the
